WORK EXPERIENCE

Administrative Assistant

Predeshiya Sabha, Sammanthurai, Srilanka

April 2021 - Oct 2021

- Assisted in preparing presentations using Microsoft Office Suite applications (Word, Excel, PowerPoint).
- Scheduled conference calls between internal teams and external vendors or customers.
- Established work procedures and schedules, ensuring the daily workflow of clerical staff was tracked and maintained. References available upon request. **Registered No: STR/PS/ADM/GA-II/Trainee/2021**

PROJECTS

- **News Page**, Developed a fully responsive news platform using React and the Open News Content API for real-time updates. Integrated intuitive UI/UX features, allowing users to explore news instantly with seamless experience.
- **E-Seller**, E-Seller is a modern, responsive e-commerce platform built with React, FakeAPI, React Hooks, and Bootstrap, offering a seamless shopping experience with dynamic products, cart management.
- **Travel Explorer**, Designed and built an interactive travel website that helps users discover destinations, plan trips, and book travel packages effortlessly. Integrated smooth navigation and a user-friendly interface for enhanced usability.
- **Solent Health Care**, Designed and developed a dynamic hospital management website using HTML, CSS, JavaScript, PHP, and MySQL to facilitate efficient data management, appointment scheduling, and patient record tracking.
- **Book Recommendation System**, Built a Python-Streamlit application that provides personalized book recommendations based on user preferences and interests. Implemented efficient filtering algorithms for accurate suggestions.
- **Business Analysis Dashboard**, Developed a Python-powered analytics dashboard to visualize key business metrics, track financial trends, and analyze profit margins. Designed interactive charts and filters to enhance decision-making.

LANGUAGE

- **English** - Intermediate
- **Sinhala** - Communication Level
